

# Adventures In Paradise

Words by Dorcas Cochran  
Music by Lionel Newman

I have [C] known adventures in paradise

I followed a [G#7] dream [G7] to many a [C] shore

All a [C] lone in harbors of pearl and spice

I searched for a [G#7] face

[G7] A face to a [C] dore

[BRIDGE]

While the [F] tender [G7] stars high in the [C] blue

Made [Cm] love to the night

I have [Fm] begged the [Fm7] stars to lead me

To that [Eb] one lovely shore called “for [G] evermore”

[INSTRUMENTAL - THEN VOCAL BACK TO BRIDGE -  
THEN FINISH BELOW]

Then [C] you walked into my paradise

And my happy [G#7] heart [G7] adventures no [C] more

And my happy [G#7] heart [G7] adventures no [C] more
