

Breakdown

Jack Johnson

Chord pattern: C - Em - Am - G

I hope this old train breaks down,
then I could take a walk around.
See what there is to see,
time is just a melody.
With all the people in the street
walking fast as their feet can take them
I just roll through town.
And though my window's got a view
well the frame I'm looking through
Seems to have no concern for now.
So for now I..

I need this old train to breakdown,
Oh please just, let me please breakdown.

Well this engine screams out loud,
centipede going to crawl westbound.
So I don't even make a sound cause it's
going to sting me when I leave this
town.
And all the people in the street that I'll
never get to meet
If these tracks don't bend somehow.
And I got no time that I got to get to
where I don't need to be.
So I

I need this old train to breakdown
Oh please just let me please breakdown

I want to break on down,
But I can't stop now,
Let me break on down.

But you can't stop nothing if you got no
control
Of the thoughts in your mind that you
kept and you know
That you don't know nothing but you
don't need to know
The wisdom's in the trees not the glass
windows
You can't stop wishing if you don't let go
Of the things that you find and you lose
and you know
You keep on rolling, put the moment on
hold
Because the frame's too bright, so put the
blinds down low

I need this old train to breakdown
Oh please just let me please just
breakdown

I got to break on down
But I can't stop now
