

# Don't It Make My Brown Eyes Blue

Recorded by Crystal Gayle, Written by Richard Leigh

F            Dm   Gm            C7  
Don't know when I've been so blue  
F            Dm                    A7  
Don't know what's come over you  
Dm            F            G7  
You've found someone new  
              Bb                    Am            Bb        C7  
And don't it make my brown eyes blue

F            Dm   Gm            C7  
And I'll be fine when you're gone  
F        Dm                    A7  
I'll just cry all night long  
Dm    F    G7  
Say it isn't true  
          Bb                    Am            F  
And don't it make my brown eyes blue

Dm            Am    Bb            F  
Tell me no secrets tell me some lies  
Dm            Am                    Bb    F  
Give me no reasons give me alibis  
Dm            Am                    Bb            F  
Tell me you love me and don't make me cry  
Gm    Am            Bb  
Say anything but don't say goodbye

F        Dm   Gm            C7  
I didn't mean to treat you bad  
F        Dm                    A7  
Didn't know just what I had  
Dm            F        G7  
But honey now I do  
              Bb                    Am  
And don't it make my brown eyes  
Bb                    Am  
Don't it make my brown eyes  
Bb                    F  
Don't it make my brown eyes blue
