

# Five Dollar Fine

Written by: Alex Harvey

          C                                  F  
We're a fun lovin' crowd, kinda rowdy and loud  
          C                                  G  
Our jukebox won't play no sad songs  
          C                                  F  
So don't come in here, and cry in your beer  
          C                          G                          C  
'Cause we don't care 'bout who done who wrong

(CHORUS)

                                  C7          F  
We've got a five dollar fine for whinin'  
          G                                  C - G  
We'll tell you before you come in  
          C                  C7          F  
If it ain't on your mind to have a good time  
          G                          C  
Ya'll come back and see us again

Well we don't really care about your clothes or your hair  
This party is open to all  
Yeah we like a good joke, and it's alright to smoke  
We got just one rule on the wall

REPEAT CHORUS

Now there's too many fools makin too many rules  
That's one thing you can't say about us  
Cause we all get along when we sing the same song  
There's just one thing that causes a fuss

REPEAT CHORUS
