

# Good to Go to Mexico

Songwriters: Chuck Cannon and Toby Keith

G B7  
I can feel a chill of a cold November  
wind  
C  
Here in Oklahoma that means that  
A7  
it's wintertime again  
G E7  
Every time I think about that rain and  
sleet and snow  
A7  
I start dreamin' about siestas  
D D7  
underneath this sombrero

## [CHORUS 1]

G C D  
Baby if you're good to go we'll go  
G  
down to Mexico  
Em C  
Get a place in Cabo, kick back in the  
D  
sand  
G C  
It'll be just you and me and  
D G  
moonlight dancing on the sea  
Em C D  
To Spanish guitar melody of a  
D G  
mariachi band

C  
I got two tickets bought  
G  
There won't be no second thought  
D G  
Weather's always nice down there in  
G  
paradise

C  
We'll find that little man who owns  
G  
that taco stand  
D  
We'll be drinkin' margaritas while  
we're workin' on our tan

## [CHORUS 2]

G C D  
Baby if you're good to go we'll go  
G  
down to Mexico  
Em C  
Get a place in Cabo, kick back in the  
D  
sand  
G C  
If you'll get off that telephone and  
D G  
put your shorts and sandals on  
Em C  
Tomorrow we'll be dancing to a  
D G  
mariachi band

C  
Cancun don't get me high  
G  
That's where the snow birds fly  
D  
They like to winter there,  
G  
Man, they come from everywhere  
C G  
I'll take the Baja sun it ain't overrun  
D  
With all the gringos and turistas we  
might be the only ones

[REPEAT CHORUS 1 - LAST LINE  
TWICE]
