

Harbor Lights

Jimmy Kennedy and Wilhelm Grosz

[D] I saw the [A] harbor lights
They only [Em] told me we were [D] parting
The same old [A] harbor lights
that once brought you to [D] me

I watched the [A] harbor lights
How could I [Em] help if tears were [D] starting
Goodbye to [A] tender nights
[Em] beside the silvery [D] sea [D7]

[CHORUS]

I long to [G] hold you near and kiss you
just once [D] more
But you were [Bm] on the ship
and I [Em] was on the shore [A7]

[D] Now I know [A] lonely nights
[Em] For all the while my heart is [D] whispering
Some other [A] harbor lights
will [Em] steal your love from [D] me [D7]

[GREGG - INSTRUMENTAL FROM TOP BACK TO THIS POINT]

[TRISH - PICK UP AT CHORUS, BELOW, AND FINISH SONG.]

[CHORUS]

[D] I long to [G] hold you near and kiss you
just once [D] more
But you were [Bm] on the ship
and I [Em] was on the shore [A7]

Now I know [A] lonely nights
For all the [Em] while my heart is [D] whispering
Some other [A] harbor lights
[Em] will steal your love from me [D]
