

Knee Deep

Written by: Coy Bowles, Zac Brown, Wyatt Durrette, Jeffrey Steele

C
Gonna put the the world away for a
minute
F
Pretend I don't live in it
C G C
Sunshine gonna wash my blues away
C
Had sweet love but I lost it
F
She got too close so I fought her
Am G
Now I'm lost in the world trying to
F G C
find me a better way
Wishing I was...

[CHORUS]

C
Knee deep in the water somewhere
F
Got the blue sky breeze and it don't
seem fair
C G
Only worry in the world is the tide
C
gonna reach my chair
Sunrise there's a fire in the sky
F
Never been so happy
Never felt so high
Am G
And I think I might have found me my
F G C
own kind of paradise

C
Wrote a note said be back in a minute
F
Bought a boat and I sailed off in it
C G
Don't think anybody gonna miss me
C
anyway.
Mind on a permanent vacation
F
The ocean is my only medication
Am G F
Wishing my condition ain't ever gonna
G C
go away
'Cause now I'm...

[REPEAT CHORUS]

[BRIDGE]

Am C
This champagne shore washing over
me
G C
It's a sweet sweet life livin' by the salty
sea
F C
One day you could be as lost as me
D7
Change your geography
G
Maybe you might be

[REPEAT CHORUS]

C
Come on in the water's nice
G
Find yourself a little slice
C G
Grab a backpack of life
Am G F
You'll never know until you try
D7
When you lose yourself
G C
You find the key to paradise
