me ka nani a'o Kuhio Bay

This is the first time I saw for myself
The beauty of Waiakea
There is no other that can compare
With the beauty, the beauty
Of Kuhio Bay

I admire the beauty of Hilo
The rain drenches it
Mokuola stands out in the sea
Island that is
Known to all

Rainbow Falls is well known
Falls visited by strangers
Marvelous waters in my sight
It streams down and wets
The plains

Mahalo a'i au
