

Looking for Love

Songwriters: Bob Morrison / Patti Ryan / Wanda Mallette

[Gmaj7] I spent a lifetime looking for
[D] you
[G] Single bars and [D] good time lovers
were [A] never true
[Gmaj7] Playing a fools game, hopin' to
[D] win
[G] Tellin' those sweet lies and [A] losin'
again

[CHORUS]

I was [D] lookin' for love in all the
wrong places
[F#m] Lookin' for love in too many
faces
[G] Searchin' their eyes
Lookin' for traces of [Em] what [F#m]
I'm [G] dreaming [A] of
[D] Hoping to find a friend and lover
[F#m] I'll bless the day I discover
[G] Another heart [Em] [A] lookin' for
[D] love

[Gmaj7] I was alone then, no [D] love
in sight
[G] I did everything I [D] could to get
me [A] through the night
[Gmaj7] I don't know where it started
or [D] where it might end
[G] I turned to a [D] stranger [A] just
like a friend

[CHORUS]

I was [D] lookin' for love in all the
wrong places
[F#m] Lookin' for love in too many
faces
[G] Searchin' their eyes
Lookin' for traces of [Em] what [F#m]
I'm [G] dreaming [A] of

[D] Hoping to find a friend and lover
[F#m] I'll bless the day I discover
[G] Another heart [Em] [A] lookin' for
[D] love

[BRIDGE]

[G] You came knockin' on my heart's
door
You're [Em] every [F#m] thing I've been
[G] looking [A] for

[CHORUS]

No more [D] lookin' for love in all the
wrong places
[F#m] Lookin' for love in too many
faces
[G] Searchin' their eyes
Lookin' for traces of [Em] what [F#m]
I'm [G] dreaming [A] of
[D] Hoping to find a friend and lover
[F#m] I'll bless the day I discover
[G] You, oh you, [Em] [A] lookin' for
[D] love

[CHORUS]

Lookin' for love in all the wrong places
[F#m] Lookin' for love in too many
faces
[G] Searchin' their eyes
Lookin' for traces of [Em] what [F#m]
I'm [G] dreaming [A] of
[D] Hoping to find a friend and lover
[F#m] I'll bless the day I discover
[G] You, oh you, [Em] [A] lookin' for
[D] love
