I crouched down to keep  
The thought of my sweetie pressed to my  
bosom

She seemed to be saying to me  
Where is my wreath of red roses?

You are a stranger, I am a stranger too  
But when we kiss each other, we are friends

If you were here with me  
We would rock together on a rocking chair

This is the end of my song  
A dream of my sweetie pressed to my  
bosom
