

# We Danced

Written: Chris DuBos and Brad Paisley

G  
The bar was empty  
C  
I was sweeping up the floor  
D  
That's when she walked in  
C G  
I said I'm sorry but we're closed  
And she said I know  
C  
But I'm afraid I left my purse  
D -G  
I said I put one back behind the bar  
I bet it's probably yours  
Am C  
And the next thing that I knew  
D G  
There we were, lost in conversation  
Am  
And before I handed her her purse  
F  
I said you'll only get this back on  
D  
one condition

## [CHORUS 1]

G  
And we danced  
G  
Out there on that empty hardwood  
D  
floor  
The chairs up and the lights turned  
C  
way down low  
The music played, we held each  
D  
other close  
G D C  
And we danced  
G  
And from that moment

C/G D  
There was never any doubt  
I had found the one  
G  
That I had always dreamed about  
C G  
And then one evenin'  
C/G D  
When she stopped by after work  
I pulled a diamond ring out of the  
G  
pocket of my shirt  
Am  
And as her eyes filled up with tears  
D  
She said this is the last thing I  
G C G  
expected  
Am  
And then she took me by the hand  
F  
And said I'll only marry you on one  
D  
condition

## [REPEAT CHORUS 1 THEN CONTINUE INTO CHORUS 2]]

G  
Like no one else had ever danced  
D  
before  
I can't explain what happened on  
C  
that floor  
But the music played  
D  
We held each other close  
G D C  
And we danced  
G D C G  
Yeah, we danced
