

When You Say Nothing At All

Written by: Songwriters: Paul Overstreet / Don Schlitz

[G] It's amazing how [C] you can speak [D7] right to my [G] heart [G]
[C] [D7]

[G] Without saying a [C] word, you can [D7] light up the [G] dark [G]
[C] [D7]

[C] Try as I may, I can [D7] never explain

[G] What I D hear when you [C] don't say a [D7] thing

[CHORUS]

The [G] smile on your face lets me kC now that you [D7] need me
There's a [G] truth in your eyes saying [C] you'll never [D7] leave me
The [G] touch of your [D7] hand says you'll [C] catch me wherever I
[D7] fall

[C] You say it best, [D7] when you say nothing at [G] all [G] [C] [D7] [G]

[G] All day long, I can [C] hear people [D7] talking out [G] loud (ooh)
[G] But when you hold me [C] near [D7] you drown out the [G] crowd
[C] Old Mister Webster could [D7] never define
[G] What's being [D7] said between [C] your heart and [D7] mine

[REPEAT CHORUS]

[INSTRUMENTAL]

[REPEAT CHORUS]
