

Halloween

J.P. Ashkar

[VERSE]

Some [Am] people think
All [C] Hallows Eve
Is just for fun and [F] games.
Well [E7] allow me to explain
[Am] One night a year
The [C] spirits come alive
To tickle your [F] fears
Let me be [E7] clear

[CHORUS]

Spider [Am] webs severed heads
It's the [C] dawning of the dead
Ghosts are [F] spawning
Demons calling you
From [E7] underneath your bed
Hallo [Am] ween
Will make you [C] run,
Make you scream
[F] Deep into the darkness
Of the [E7] night
Hallo [Am] ween
Will make you
[C] Live out your worst dreams
[F] Deep into the darkness
Of the [E7] night

[VERSE]

[Am] Here comes the vam-pires
[C] fiending for your blood
There's [F] no escape
They're here to stay
So [E7] Let them have their fun

Well your [Am] world is falling
down
[C] Wicked witches, evil clowns
[F] Killer zombies take the town
to [E7] night

[CHORUS]

Spider [Am] webs severed heads
It's the [C] dawning of the dead
Ghosts are [F] spawning
Demons calling you
From [E7] underneath your bed
Hallo [Am] ween
Will make you [C] run,
Make you scream
[F] Deep into the darkness
Of the [E7] night
Hallo [Am] ween
Will make you [C] live out your
worst dreams
[F] Deep into the darkness
Of the [E7] night

Oh Hallo [Am] ween, it's
Halloween
People [F] panicked what a sight
Terror [E7] ized and horrified
Hallo [Am] ween
It's Hallo [C] ween
I'm only [F] joking don't be scared
Leave your [E7] houses if you dare
On Hallo [Am] ween.
