

# I Don't Know How To Love Him

Andrew Lloyd Webber, Tim Rice

[C] I [F] don't [C] know how  
to [F] love [C] him  
[F] What to do,  
how to [C] move [G] him  
I've been [C] changed,  
[G] yes really [C] changed [G]  
In these [Em] past few [Am] days  
When I've [Em] seen my- [Am] self  
I [F] seem [Dm] like  
some- [C] one [G] else

[C] I [F] don't [C] know  
how to [F] tell [C] him  
[F] I don't see why he  
[C] moved [G] me  
He's a [C] man, [G] he's  
just a [C] man  
[G] And I've [Em] had so [Am] many  
[Em] men be- [Am] fore  
In [F] ve- [C] ry [Dm]  
ma- [C] ny [G] ways  
[F] He's just one [C] more

[F] Should I bring him [E7] down  
Should I scream and [Am] shout  
Should I speak of [F] love  
Let my feeling [C] out

I never [A#] thought  
I'd [F] come to [C] this  
[F] What's it [C] all a- [Dm] bout [G]

[C] Don't you [F] think it's  
[C] rather [F] fun- [C] ny  
[F] I should be in this  
po- [C] si- [G] tion  
I'm the [C] one [G] who's always [C]  
been, [G] so [Em] calm, so [Am] cool  
[Em] No lover's [Am] fool  
[F] Run- [C] ning [Dm]  
eve- [C] ry [G] show  
[F] He scares me [C] so

[F] Should I bring him [E7] down  
Should I scream and [Am] shout  
Should I speak of [F] love  
Let my feeling [C] out

I never [A#] thought  
I'd [F] come to [C] this  
[F] What's it [C] all a- [Dm] bout [G]

[C] Yet [F] if he said he loved [C] me  
[F] I'd be lost,  
I'd be [C] fright- [G] ened  
I couldn't [C] cope,  
[G] just couldn't [C] cope [G]  
I'd [Em] turn my [Am] head,  
[Em] I'd back a- [Am] way  
I [F] would- [C] n't [Dm]  
want [C] to [G] know  
[F] He scares me [C] so [F]  
I [Dm] want him [C] so [F]  
I [C] love [Dm] him [C] so
