

I've Got No Strings

Writers: Leigh Harline, Ned Washington

I've [G] got no strings
To [D7] tie me down
To make me fret, or [G] make me frown
[G] I had strings
But [D7] now I'm free
There are no strings on [G] me

[CHORUS]

[B7] Hi-ho the [Em] me-rry-o
[B7] That's the only way to [Em] be
[A7] I want the [D7] world to know
[A7] Nothing ever worries [D7] me

I've [G] got no strings
So I [D7] have fun
I'm not tied up to [G] anyone
[G] They've got strings
But [D7] you can see
There are no strings on [G] me
